The 2012 Chronological Bible Reading Plan will allow you to read the entire Bible in one year chronologically.

Service Team Update

Thanks to all who participated in the warm clothing drive during the month of January. Let it warm your own hearts to know that you helped warm someone else less fortunate during these cold winter months. But beyond that, whether giving a hat or coat, you are saying to someone "I care about you and your well-being," and that is the essence of what *Being the Church* is all about.

Altogether, we collected men, women and children's combined...29 coats, 33 sweaters, 123 hats, 42 scarves, 63 pairs of gloves, 8 pairs of boots/shoes and one blouse. All the proceeds were distributed to Buist Community ministries, Veterans Home, Holland Rescue Mission and the Alpha Women's Center.

A special thanks to Rose Holben and all the knitters out there for gathering materials and continuing to knit beautifully crafted hats, scarves and gloves for the less fortunate.

And to you reading this; where do you see yourself *being the church*? Whether community service, musical talent, landscaping, organizational skills, cooking, repair, ministry or any other talent, God made you to care and to use your gifts. Let us know what you can do and where there are needs so together we can *Be the Church*.

PRAYER & PRAISE

- As we begin our annual Missions Conference this morning please pray that God will use this conference and the missionaries we interact with to give us a greater heart for missions and a greater appreciation for those who are called to serve as missionaries. Ask God to expand your heart for people with profound spiritual, physical, and emotional needs and show you how to get involved in meeting these needs whether here in our community or in another region or country.
- Please pray for our Board of Elders and Deacons as they meet tomorrow evening. Pray that each one of our board members would be continually growing in their relationship with Christ and that God would provide His wisdom and direction as they meet together to seek God's will in leading our congregation.
- Praise God for another great mid-month financial update at Frontline and for his faithfulness to us in all areas of ministry! Please pray that we will be able to finalize the refinancing of our mortgage with favorable terms next month and be able to continue retiring this debt as soon as possible so we can continue to move forward in ministry.
- Praise God for the more than thirty years Christianity Outdoors has been involved in discipleship ministry in West Michigan with young men and their families! Please pray for this ministry as they hold their annual Sportsmen's Expo and Banquet this coming Saturday evening, asking God to bless this event and use it as a platform to share the mission and vision of Christianity Outdoors with many new families and individuals.
