

# The Resolution for Men

by Stephen and Alex Kendrick with Randy Alcorn

## ABOUT THE BOOK

*"A man cannot be passive about what Scripture tells him to do for his family and expect to be found faithful to God in the end. He must see with spiritual eyes and realize that future generations are directly impacted by his daily decisions."*

—The Resolution for Men

*The Resolution for Men* is the inspiring book born out of *Courageous*, a new film by the makers of *Fireproof* coming to theaters nationwide in fall 2011. The movie, which presents a powerful story of strong male leadership, is an emotionally charged wake-up call to fathers whose influence upon their children and society is immeasurable. *The Resolution for Men* follows to challenge men of all ages to become as bold and intentional about embracing their responsibilities as leaders of their homes, marriages, and children.

Written by Stephen and Alex Kendrick, screenwriters of *Courageous* and authors of *New York Times* No. 1 best seller *The Love Dare* (five million copies sold), *The Resolution for Men* strategically inspires men to reconcile with their past, re-engage in the present by taking full responsibility for their wives and children, and then move forward with a bold and clear resolution for the future. Written in partnership with the movie and Priscilla Shirer's new book, *The Resolution for Women*, it is designed to inspire a revolution.
